Modern Teak Finish WPC Designer Double Door with Vertical Groove Panels

SKU: WNPC-20

Product Description

Bring a bold and contemporary statement to your space with this **modern WPC designer door**, featuring a stylish combination of vertical grooves and clean horizontal panel detailing. The rich teak wood finish enhances the natural look, while the sleek long handles add a premium architectural touch.

Crafted using high-quality Wood Plastic Composite (WPC), this door offers superior durability along with 100% waterproof and termite-resistant properties. Its sturdy construction ensures long-lasti...
